

VARUVAN VADIVELAN INSTITUTE OF TECHNOLOGY

(Approved by AICTE, New Delhi and Affiliated to Anna University, Chennai)

NH-44, Krishnagiri Main Road, Gundalapatty, DHARMAPURI - 636 701

Dr. A.Sivakumar, M.E., M.S., Ph.D.,
Principal

Research and Development Cell

Motto:

- By encouraging research in cutting-edge and difficult frontier fields of engineering, technology, science, and the humanities, the R&D Cell seeks to foster a research culture inside the college.
- It encourages teachers and students to conduct research in transdisciplinary subjects and other recently developing frontier areas.

Function of R&D cell:

- To raise staff and student knowledge of research and development, provide opportunities for it, and foster a culture of research and development in each department.
- Encourage faculty members to pursue research projects and advance their education, expertise, and credentials by enrolling Ph. D.
- To encourage the group's academic members to engage in research and development in their fields of expertise
- To encourage employees and students to submit technical papers for publication in reputable international conferences and journals at the national level.
- To carry out research and development initiatives provided by organizations like DRDO, ANRB, DST, AICTE, UGC, etc.
- To help in applying for and receiving funding from different funding sources in order to organize seminars, workshops, or FDPs.
- Encourage students to undertake innovative projects and participate in Smart India Hackathon and project contest.

Research Policies

- Awards recognize research contributions by faculty.
- Incentives for publication of papers in Scopus and SCI journals
